The **Office of Employment and Training** is granted authority by the WIB to fund training for occupations not included on the **Demand Occupations List** if the customer requesting training demonstrates this occupation is now in demand. Providing an occupation is in demand is accomplished by providing current job openings in the field and/or letter of commitment to hire. Job openings are expected to be of full-time nature.

The **Demand Occupation List** is seen as a fluid list and is reviewed quarterly by the **Workforce Investment Board's Strategic Planning Committee** which recommends additions, subtractions or edits of the list to the full Board.
